“ *"Aunt" Barbara, Nancy, Deb, Bruce, and Dick (& family)- My thoughts and prayers are with you. "Uncle" Oren was one of a kind and although it's been many years since I last saw him, I still have many fond memories of our family gatherings on the hill; particularly the hunting & fishing stories from the early days; the ever present laughter; and those wild "Nero Seniah" dropcloth paintings. I still have many stamps in my collection that he so generously gave me when I was young. You can all take comfort in the fact that he will always be remembered and left such a lasting impression on us all.*

“ My memories of times spent visitng yyour family on Onondaga Hill go back to the 1960's. You would make crazy voices and faces, and those jokes!- trying to get my brother and me to laugh-it always worked. Lots of good times, and the best was when you and my Dad would recount tales of ramblings and carousing around Syracuse when you were younger. You two had alot to tell, and alot of fond memories. Its sad that you are gone, but comforting to know you are at peace.
