“ I met Tisha at the exercise class in Lafayette. She was the most welcoming person to me in the class. No matter what her circumstances, she was upbeat and could laugh with you. She was kind and considerate. She came to our class Christmas party 2015 even though she didn't feel great, and she enjoyed the party, laughed with us, played games and was fun to be around. I brought in her birthday cake for her April 2016 birthday. Our exercise class called her on the phone and sang "Happy Birthday" that day as she had just come home from the hospital. Some ladies from our class brought her a big slice of cake and they said she really did enjoy it. Tisha was just a lovely woman. We will miss her.
