“ I never met my cousin Pete, but always heard about him from my mother Angie DeFrancesco. I am just now finding this, but want to express my deepest sympathy to Danny and Carm and the rest of the family.

“ Our whole family was so very sad to hear of Pete's death. He was a very special person and an icon of the Valley. I took my sons into his shop for years, until they were old enough to go on their own. He gave my daughter her first hair cut too! He always remembered her and often sent a candy home for her with her brothers. Our son, Tim, now in his mid 20s and living in the Valley, remained a loyal customer. Pete will be very missed. XXOO

“ Peter was a good man and a good barber. I was in the shop many times and listened as Peter told stories about the ""old days"" and talked politics. Peter, may you rest in peace. Amen.

“ Pete will be missed.....he was the only barber that cut my boys hair the way I wanted it. My boys will miss him and the lollipops and the dog and I will miss lending Pete my ear!! He was a great guy to his customers and I hope he rests in peace !! God Bless !!

“ *Great memories of ""Pete the Barber"" go all the way back to my childhood. I remember Pete's shop when it was on the other side of Salina St. My dad would take us there on Saturday morning to get our hair cut, but it was so much more. Pete had the best collection of comic books, and the suckers afterwards were the best. For 40 some years, Pete has been an institution in our family. My dad, my brothers, and even on to my own sons. Rest in peace , Pete. You've earned your way to the big easy chair by touching so many lives. You will be missed.*
