“ You were my aunt and my friend. We had so many good times together. You endured so much during your long illness and never complained. The ride with Debi who drove you back home was wonderful and Jim conducted your ceremony. Now you are at peace, buried with Grandpop as you planned. Love, Betsy

“ Aunt Becks was a vivacious, passionate person. I remember how animated and enthusiastic she was the first time I visited her apartment in Atlantic City. We will miss you, Aunt Becks.
