“ So sorry to hear of Bob's passing. What a great gentleman he was. I still have a picture of Bob and my dad proudly posing with bowling balls commemorating some Saturday winter league... what fun they had. Find comfort in knowing what a fine life he lived! Martha (Gabriel) Lange

“ While working at the Nottingham, I got to know Bob through all the different programs that he was involved in. The things I will always remember about Bob is his singing and gentle nature. As I am sorry about his passing, I have so many memories that will be with me to cherish. To the family "to be absent from the body is to be present with the Lord." I know he is singing in heaven with that special choir. Peace be with you, love Marva Cook.

“ There are so many memories of your dad as our families shared so much time together through the years. I remember him as such kind and gentle man who remained soft -spoken even in difficult situations. His genuine care and smile was evident even to a very small child. He and your mother were such close and wonderful friends with our parents. I'm so grateful for the time we had together. Sending love and condolences to all of you. I know you will carry him in your heart for the rest of your lives.
