“ *Robert you were a good friend for a long time, you always gave me a place to rest and lay my head and some food when I had no place to go and was hungry. I could always count on you my friend. I will miss you greatly, at least we had one last great picnic a couple months ago. wish I was here, I just found out today, Sissy told me at the fair. I just got home from another trip in the great outdoors a few days ago. RIP my friend you will always be remembered here...*

“ My family moved to West Colvin Street when I was six years old. The Doxtator's were the first family my brother and I meant. They immediately became family! And I must admit being a little white girl and growing up on the South side, having a Doxtator on your side \"was always a good thing.\" Lol. Its been along time since I've seen any of them but I have some great memories and it so breaks my heart to hear about Rob. May you rest in peace my brother and give Micah and Benny a hug for me. XOXO. My deepest sympathy to the family!!

“ Good man Robert, always stuck up for my younger brother, who had some challenges, whenever he saw other kids picking on him. Many memories of growing up on the south side back in the day and meeting up during our adulthood and reminiscing about the years past. RIP my friend.

“ Uncles have a special role. Not being our father, they can be a
friend and a supporter in a different way than anyone else in our
lives. They are both a relative and a companion; one of the few
people able to be both. Whether they are crazy and weird and only
seen at holidays or our fishing buddy and mentor, the loss of an
uncle is a particularly hard one. Their loss, however, is filled with the
years of happy memories we had, and that special connection that
belongs only to uncles.
LOVE YOU UNCLE ROB ALL THE WAY TO GOD AND BACK
AGIAN!XOXOXOX

“ I am so sorry for your families loss! Been many years since I have seen Robert but I never have forgotten him or Micah and all the girls! Benny & Joan had bought my Great Aunt Lillie's house on W. Colvin way back when I was little. My Grandma Langley (Sara) lived across the street from the Moore's (My Cousins) Funny story Micah was the first boy who ever kissed me (think we were all of about 6 years old) it was so funny thinking back and hearing the other girls say \"oh no now you got cooties you got kissed by a boy\" I loved those days and Robert and Micah. My Grandma loved all the kids! Again I am so very sorry for your loss...Maybe he will meet my cousin pat who also left us this week! That would be cool! Bless you all and RIP Robert!

“ I have nothing but great memories of my uncle. One in particular was when we were driving around with some friends and the Queen song \"bohemian Rhapsody\" came on and he did all the voices and we all head banged (like in the movie Wayne's world) at the same time when the music picked up! We laughed so hard! He will be greatly missed but never forgotten! R.I.P. uncle Rob.
