“ To Jane and the entire Giarrosso Family: I am sure that you all know how much Harold and I loved your Husband and Father. He was just a great person and he seemed to have answers for all the questions. I can remember Bob and Harold staying up until early hours trying to solve the world's problems while Jane and I slept. I will never forget, Bob used to say to me "Wendy I am in the last half of the 4th quarter and you are in the first half of the 4th quarter so if you feel you want to travel somewhere or do something go ahead and do it before the quarter runs out. My thoughts and prayers are with all of you at this time. Much love, Pauline Sutor
