“ I am so sorry to hear about Bob's passing. He was a beautiful soul who I only had the privilege of knowing as a patient thru my office, but feel I was blessed by knowing him. He spoke so proudly of his whole family and ALL those beautiful grandkids and great-grandkids which I believe was a huge part of how he was able to stay with you for so long. Bev, my deepest sympathies and please know that you will be in my prayers and thoughts. Although it's hard to hear, we know he is definitely in a much better place without pain or cancer. With all my love and compassion. Lori, A/A

“ Bev,I was so sorry to hear of Bob's passing. My prayers are with you & your family and I hope you find comfort in your memories. Rodd & I have many stories we have told over & over since he has been ill: building the house, the racing cars, the little gag with the hairpiece he & Fred played on you & the kids at the campsite. God bless and sustain you through these difficult days.
