“ You will be missed more than you will ever know. Who is going to get into stubborn matches now with Megan? Jessi loved spending that day with you weeks ago and is sad that she will not have more. Halie really doesn't understand. I think i am in the same category as Halie. I just wish that I could have 5 minutes to tell you how much I love and how much you mean to me. You were everything to me and right now I feel so lost without you. At the same time I am glad that you did not have to suffer. I am just going to miss you so much, it is going to take me a very long time to get back on my feet from this. I will always love you and will always miss you. I Love You Lisa

“ It is so hard to believe that Bobbie is gone. We were friends as children and teenagers and I haven't seen her in so many years. She was a true dear friend and I am so sorry for your loss. I do remember you well, Jeanne, and hope you are well. Even though years and distance have gone by, she was a wonderful person and friend for all my younger years. My deepest sympathy to all of you. Jane

“ Will always remember how great it was to talk to Bobbi when she was at Chevy and I at GMAC. Will always remember her as so cheerful and helpful. Wish we had kept in touch as we promised when we retired. Wanted to be at the service but am unable to do so. My thoughts and prayers are with her sister and brother in law and the rest of her family. May she be in peace. Love-Bev
