“ Dear Gerry, Michael and other family members:

Robin and I shared a lot of special times while working at the Parks Barn. She certainly was one of the best cleaners we've ever had and always did her best to please. She would call a spade a spade and often we disagreed, but still we were able to see the good in each other.

I was so sad to see how she progressively failed over the past couple years. She is at peace now and will be with the angels. Make sure you give lots of hugs to the puppy (Austin) too, because he will miss her, as we will!

God Bless you all!

“ Gerry and family,

I am glad that I came to see you and your mom with my niece Christmas time. I know that Rhonda was there several times bringing special treats, your mom's favorite banana cream pie and sugar free pies for you. I told you at that time I wish that I was not so far away and could be there for both of you. Please know that you are in my thoughts and prayers, Olga Oja
