“ *I was very saddened to hear of Sharon's passing. I have not seen her since the early 1970s but I still have fond memories growing up across the street from her and her family. The crowd boils, her driving us out to Coffenbury Lake in her big car, playing board games upstairs in their house. In an interesting side note my mother in law started going to church a few years back. She occasionally mentioned a neighbor lady named Laurel who would drive her to church and back and sit with her at senior lunches. It took a while but I found out that this Laurel was Sharon's mother, a lady who always welcomed me into her home and occasionally had me over for meals and baby sat me on a few occasions. Sharon will be missed by many and her memory lingers on with many more.*

“ *Tiff, Nikki, Matt and family,
We are deeply saddened by the sudden loss of your mom.
We just wanted to let you know our thoughts are with you and your families through this heartbreaking time. Nothing we can say will ease your pain but we want you to know we are thinking of you all. Cherish the memories of the times you spent together, and you should always know, wherever you may go, no matter where you are, your angel will never be far away.
Love to you and your families

“ *Jerry and Family,

Words fail to express the sorrow we share with you. I am praying that the Holy Spirit, the God of all comfort, will give you the strength and comfort you need to go through this.

When Elijah ran from God and hid in a cave, God came to him - not in a powerful wind or the earthquake that followed or the fire which followed that, but in the whisper of His voice (1 Kings 19:9-13). May you hear the comfort and presence of His voice, Jerry, and may His strong arms carry you through each day,

Larry*
