“*Thank you to everyone for their great words about my mom. She was a great person and an even better mother. I talked to her everyday and greatly miss our conversations. You are greatly missed. I take comfort in the fact that you have so many family members in heaven that have passed before you. You can tell by the candles lit that you will be missed by all. I love you always and will see you again in heaven.*

May the love of those around you help you through the days ahead. -Kevin Mumper*

“ I always had to stop and talk to her when I was in Green Hills. Even though she always confused me with my twin. She would call me the lcky twin because my sisters name is Vicki. (Vicki & Nicki).. I met her from her daughter, Michelle. Sharon has raised a great daughter. Thoughts and prayers are with her and her family.

“ Sharon has been my dearest friend and sister for over 45 years. She will be greatly missed! We had many dinners together as we raised our families, ate lots of Dunkin Doughnuts and enjoyed just being together. Even though life moved me far away in later years, our love as sisters has always remained. My spirit is there with her children as they mourn their mother's loss. God bless all of you!  
Love, Aunt Carol
