“ Dear Norm and Family,

What a shock to learn about the passing of Sharon, and want you to know my thoughts and prayers are with you all now and in the days ahead. I met you and Sharon at our Central New York Bluegrass Association meetings back in the late 70's, and we've shared many wonderful times over the years. It is these memories that I will always cherish. Sharon and I exchanged many letters, and would like to think we solved many problems together through these!! I know you are a very close-knit family, and in the days ahead, you each will be a big comfort to one another. I hope in time knowing that your many CNYBA members care and are sharing memories of Sharon will help ease the pain of your loss. She has now joined all the other CNYBA members who make up the best "Bluegrass Heaven" there could ever be. Take care, and I love you all.
