“ It is with great sorrow that I leave this message for Sonja's children & family. Your mom and sister was a one of a kind person who gave freely her love and friendship to everyone she met. If you were sad she made you feel better and if you were happy she made you happier. Her beautiful smile is watching down on us from Heaven now and she will be greatly missed. My thoughts and prayers are with all of you now until we meet again.

“ My heart goes out to Sonja's family and friends. She was such a sweet, loving person, who had an amazing heart. She was such a special friend and a dream to work with. She spoke of and shared pictures of her children often and you could just see the love in her eyes when she spoke of them! They were her pride and joy. I pray that the Lord gives her children and family the strength to deal with her loss. Please know that she loved you all and will always be with you, even if she cannot be here physically.
Rest in peace my sweet friend and know that you are greatly loved.
