“ My big sister Sue was the one who made being the baby of my family my favorite thing. She was Santa Claus to a child, always jolly and giving. She provided me with so much, most importantly love. I will forever have amazing memories of times spent with her, for which I am so grateful. Among the best of those memories are just of simple times when as kids my brother and I would wrap ourselves around Sue's legs so she couldn't get out the door. She will be so missed, but for sure her laugh will live on in hearts and minds. Thank you Sue, I love you!Carrie

“ Sue you are with us always. Signs of your endless energy, generosity and ability to do anything are everywhere. You built me a wonderful wood shed which I will make a testimony to you. You completely transformed my downstairs so I could enjoy it. You even retiled the bathroom in my rental apartment. From the moment I met you I knew you were an authentic, good hearted soul. You were so fun to be around, laughing at my forgetfulnesses, inviting me to sporting events, and literally motivating our softball team to a great come from behind victory through your silly, infectious chants. You were my best friend too. Love, Diana

“ *I didnt have the pleasure of knowing Sue that long but what I came to find out was what a wonderful person she was. When Sue and Nancy bought the house next door my husband and I went to welcome them. Sue showed us the house and was so proud of what her and Nancy had acomplished. What I knew of Sue was a caring, loving person who always had a smile on her face and a wave when anyone went by. Im sorry I didnt get to know her better. She is peacefully resting now cradled in gods hand. We will greatly miss her.*

“ *I worked with Sue at Electromark. She had the biggest heart of anyone I know. She always had a smile and positive word. I loved it when we would have snacks. She would find something she liked, then say ""oh that is terrible, you really don't want any"". She and I had a lot in common, Grandmothers in their 90's, photography. She was a good soul. God is lucky to have her. And we are even luckier to have shared time with her. My thoughts are with her loved ones.*

“ Sue and I graduated & played sports together in high sch. She was always fun loving, witty and a great friend to have. Even though we never kept in touch, it deeply saddened me when I heard of the tragedy on the news. I told my co-workers that it did sound like her, to want to help out someone in need. We had alot of fun & laughs. My heart goes out to her companion, family and friends. Always remember the laughter, the fun times. This will get you thru the grief. You know she would want it that way. Rest in Peace and God Bless You Sue!

“ So many memories, so many laughs...our softball games, getting flooded out of our tents and fried to crisps in Virginia Beach on our camping trip, spying on our neighbors and late night bike rides in the pitch dark, hanging out of sun roofs while driving down 481 and the famous ""Glingo and Glacko"". I love ""Dewey"" with all my heart and will never forget the memories of our childhood and growing up or that infectious laugh of hers. Love and prayers to Nancy, Aunt Roberta, Uncle Dick, Dick, Debbie, Sharon, Stace, Steph, Betty, Carrie and Tim.
