“ Sue was always on third shift and i go home at 3 most days. once in awhile i am here till 5. I didn't know her well. But, we always called her the cat with 92 lives. She had a long long struggle against this disease. We are always sad when a patient expires. But, she was so so tired. God Bless her and all of her family...

“ Carol, your gift to Susan was truly wonderful, to share her last days, to give her comfort and to be sure she was not alone as she made her final journey. May you have peace in your sorrow as you grieve the loss of your sister. You are a remarkable woman and I am glad to have had the time to know you during this most difficult effort. My prayers are with you and Susan. Sincerely, Carolyn Mandel

“ Dear Carol & Family: Bob & I were sorry to hear that Sue had passed away. She had more fortitude in her than I will ever have. The things she went through in her life on dialysis, I wouldn't have lasted five years. We have often thought about her and you and your family. Barb tried calling her a few weeks ago, but got no answer. The Mills family will be sending a donation to the Kidney Foundation in her name. Love to you and the rest of the family. Linda & Bob
