“ *Teala and John opened their arms to me when I was just a teenager and always treated me like "one of the family." I have so many memories of Teala and all the time I spent at "Dwyer Park". I will always remember her for her outrageous meals....DID YOU EAT...and the best applesauce...EVER!!!! I always knew there was a roaring fire in the woodstove to keep me warm and laughter around the table. I always loved the red curtains at Christmas..who changes their curtains at Christmas...Teala does!!!! Thanks "T" for always being there for me...I'm going to miss you kid!!!*

“ *Mom, trying to find the words....words that could even come close to what I feel right now , I can not. Tomorrow I have to say goodbye to you for the last time and I will be strong, just the way you and dad taught us all to be. Dad would always tell me... " ya gotta ask yourself...well whata ya gonna do ?" and then ya lace your boots up tie um on and do what ya gotta do. We've been through so so much and I know there were times when I didn't do what I needed to and you were there through anything by my side . Now you're in my heart and I'll promise you I will lace up them boots yet again and do what I gotta do.... love you forever and always.....Johnnie*

“ I am so sorry and I want you to know I am thinking of you and what you and your family must be going through right now. Please accept my condolences. I can only imagine how difficult this must be for you.

Teala was more than just a mom; she was an amazing person. Her passing will not only leave a void in our lives, but in the hearts of everyone who knew her. Teala's memory will always remain deep within my heart.

I won't be able to make it to the funeral to convey my condolences in person but when I get back to NY this summer we can get together for a memorial dinner.

My sincere thoughts and prayers are with you all.

With deepest sympathy,

“ *Teala,*

You were a gracious, loving grandmother to my boys; Dave and Jacob. There are truly no words to express my appreciation for the love and commitment you demonstrated throughout your life to my children and always being there to help care for them when John and I needed you. You were selfless in your love and always willing to open your doors to anyone who needed help. I hope that you and "your guy" will share eternal happiness and love that you both so deserve. You will be highly missed by everyone in your life. Thank you from the bottom of my heart for being there for my boys...they loved you immensely.....
