“ There isn't a day that doesn't go by without you in my thoughts. I think of you and the time we were with each other. we both learned a great deal from each other to go through life as best as we can, no matter how bad things got. we are survivors and will continue to go on in spirit and soul. I can always feel your presence when you are around and it reminds me more of the wonderful person you are. I love you and never will forget you. Your husband, Josh. And Fluffy remembers you too. She misses you also. Good bye for know.

“ Terri was a free spirit with an easy infectious laugh. She was loved by all who knew her. I miss our talks, her caring personality, and her comical outlook on life and people. Josh and Terri were true soulmates. Her passing leaves a deep void in all our hearts, but memories will keep Terri with us always. With much love, Terri's cousin Kim
