“ A sincere regret that all of you are going through this again. I don't know if you remember me or us from the VFW, but we all grew up together when we were young. I stayed over night with Rita many times at your parents house in Nedrow. Me , my brother Kim , Terrie , Joyce , Rita ,hung out together and had many great times. I can still remember way back when your mom and Father were still together staying at your house and with the house full of kids your parents had , we had a riot. It is amazing what you remember when you lose someone you knew. Mine and my families prayers are with all of you.Keep your chins up and be there for each other.I have LUPUS and COPD and in desperate need of a lung transplant , but I try to keep going because I have a wonderful husband and family for support. And thats really important. Well, I hope getting this message brings back some happy memories !!! Email me if you would like. sydz47@yahoo.com LOVE ALWAYS , Cindy (FOREST) Zielinski and family

“ It was a pleasure getting to know Terrie.-- She taught me quite a few things when I joined the Auxiliary-from how to make Goulash that would feed 50 people- to how to stand your ground when its something you believe in. She had a wonderful way to keep you on your toes (because you never know what she would say next) yet at the same time-- make you feel at ease. I will miss her!!!! My thoughts and prayers go out to the entire family.

Let me just say that i am going to miss her very much and i will always have her in my memories and talk about her as much as i possible can. She was a wonderful person no matter what anyone else has to say about it. -Aunt Terrie you are in my prayers and i hope to see you when i get to heaven. With all my love. I will miss you-

“ Terrie will be so missed, but maybe she can keep Dad in line like she used too!Now Mom has another bingo partner.... I will miss her blunt nature.... even when she reminds me that she used to change my diapers when I ordered my first drink at Burdicks after turning 21!She will be missed by many!

“ I am a better person for having known Terrie. She was not only my sister-in-law but a real mom figure in my life. Anyone that knows her, knows how much my children meant to her - and how much she molded their lives and personalities. Obviously, this is devastating to the kids and Rick and I, but we know we have a very special guardian angel to look over us all for the rest of our lives. We were happy to share her with all of you through the years and hope in the coming days you will help us by sharing your memories. Thank you all for the love and support we desperately need at this time. Cherish the ones you love - Tomorrow truly is a mystery and can't be taken for granted.
