“ I was very sorry to hear of, and read about, Tom's passing. He was my 1st cousin and although I hadn't seen him in a number of years, we were very close growing up. His Mom and Dad, Maurice and Eleanor, were wonderful people and I loved them very much. Tom was a great kid who was always limited by his health issues. I tried very hard to get him a job with the NYS Department of Corrections but his health would not allow it. I am very sorry that I missed the funeral service but only learned of the service date this afternoon. RIP Tommy - you have suffered mightily all these years and you are no longer in pain. When you see your Mom and Dad in heaven, please tell them I love them and I miss them. Now you can play catch with Maurice in the yard to your heart's content. I am so sorry.
