“ *There are so many things now that I wish I had told you, but never did, because we didn't let things get that ""deep"". You always liked to keep things light and happy. You were a true friend and confidant and I thank you for you for that. I will always cherish our dear memories and the brightness that you brought to a room each time you entered. I'm glad to know you're with your mom and fondly remember your stories of just what she meant to you. The world was a better place just having you in it and now I know you are truly happy as well. Bless your family and may they find peace in all the memories of you.*

“ My thoughts are with the family. I have never met an entire family who could touch my heart the way the Eipp's have. I adore each and everyone I have had the pleasure of knowing. I only had the pleasure of spending time with Tim on a couple of occasions but even in that brief time, he showed me the compassion that all of the Eipp's share. You are all in my thoughts and prayers.
