“ It's hard to believe your gone....you were my best friend before you became my mother-in-law.We had such an amazing wonderful times together we laughed, we cried, and most of all we shared secrets together... You were my Bingo partner, we never won but we always enjoyed each others company at leased that's what we told them lol... We always had so much fun.You got to enjoy such little time with your grandson Gianni. But i know how much you loved him so. And he loves you too. I have so much memories and stories to tell him when he grows up. He will know what a beautiful grandmother he had. GOD needed you more then us. So spread your wings and fly. We will truly miss you so much. You will always be in our hearts, mind, and soul... Gone But Never Forgotten....R.I.P
