“ *Dear (Aunt) Nancy and the Kilmer family:*

I regularly saw "Virge" especially from the later 1970s to the late 1980s when I was in the Syracuse region. Virge cheerily greeted me, and we humored each other about our bowling exploits. I recall bowling with him and Nancy at a center in the Valley. He was soft-spoken and self-assured.

In Sympathy,

John (one of Nancy's nephews)

“ *We send our deepest condolences to Virg's family at his loss. He was a great person and we think often of his humor, his generosity and his great golf game.*

One of our best memories of Virg was playing 18 holes with him down at Tanner Valley on a beautiful day and how much of a pleasure it was to be with him. He was one of a kind and will be missed.

“ I never really knew my father Jim, but there was a kinder spirit with Uncle Bubby. He had a sympathetic ear. I don't remember all the "advice" he shared, only one " don't get married " . He must have said that alot for me to remember. After Dad died, Uncle Bubby would listen to his children talk of him. The next day Uncle Bubby brought me some seeds to plant, I thought that strange at the time, but now I believe he wanted to see us grow up. I think Uncle Bubby would have been a good Dad, if he would ever do it , we know not. I will always have fond memories of my Uncle Bubby, I love you, Bye for now, Karin
