“ *Although I never had the priviledge of meeting Walter, I did have the honor to know and worth with his two sons. By knowing his sons, it is now clear to me why they have so much drive and honor in everything they do. Mr. Wadsworth layed a solid foundation for his sons, which they continue to build on today. He will be missed by all who knew him, and I know he will be missed by his sons.respectfully,Tim HoytGainesville, Gerogia*
