“ To all Jansson Family,

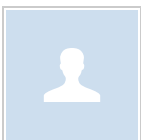

My name is Deb, I met Bill when he came into Kinneys sat down in one of our chairs in the pharmacy. Upon his first visit of sitting I asked if he was here to p/up medicine he smiled said noooo...just resting and every day after that he sat in the same chair we all got to know Bill, and him us, we would joke, talk of our lives and he did as well he would show pictures of his grandkids and great grandkids, we spoke of when he would go to Brooklyn and visit his friends. One time while your Dad was sitting I saw a bunch of candy wrappers under his chair and I asked him Bill, are you throwing your papers under the chair his reply was no Deb, and every day after that when he come in he would say Deb I brought you some candy and would leave lifesavers on the counter for me, your Dad always stopped and made sure he said goodbye when he was leaving, he never bothered us at work, just sat and watched....when we all heard at Kinneys it was Bill who was struck, we cried, a few of us all day off and on the first couple of days not seeing him, we all will miss Bill so much, and our hearts are filled with sadness for his loss, please let it be known here at Kinneys Our Sincere Sympathy and Condolences to Bills family. Your picture you picked wow, very nice.
