

Wilma Park

October 6, 1929 - October 2, 2015

Wilma Bardwell Park was born October 6, 1929 and raised in Otisco, NY on the Stanley Bardwell Farm. She loved the farm and remained close by her whole life. In 1962, Wilma went to work at the Good Shepherd Hospital which became Upstate University Hospital where she spent 22 years in the Department of Neurosurgery before retiring in 1984.

In retirement she enjoyed over two decades of near daily experiences with her growing grandchildren. School plays, concerts, sports, graduations, weddings and ...great-grandchildren! Along the way she found time to immerse herself into her passion for gardening and established a small business growing and distributing unique flowers to florist shops throughout CNY. Her flowers welcomed President Clinton and family for their summer visit to Skaneateles Lake. "Willie" will be remembered for her love and devotion to family and friends, her generous nature and her passion for gardening and country living.

Wilma is predeceased by her mother and father, Evangeline and Stanley Bardwell; her son, Gene Park in 2014; and by her husband of 35 years, Everett Park in 1984. She is survived by her children, Jeff (Janet) Park, Nathan (Doreen) Park, Jayne (David) Baritell; 10 grandchildren and 10 great grandchildren.

Calling hours will be at the Otisco Presbyterian Church, 1873 Route 80, Tully,

NY on Sunday, October 11, 2015 from 1:30 to 3:00 PM and a Memorial Service to follow at 3:00 PM. Family and friends are invited to a celebration of Wilma's life, following the memorial service.

We extend a special thank you to the Caregivers, Staff, Nurses and Doctors at The Centers at St. Camillus, for the exceptional compassion and loving care given to our mother.

In lieu of flowers, contributions may be made in her name to Otisco Presbyterian Church, PO Box 276, Tully, NY 13159 or Hospice of CNY, 990 Seventh North St., Liverpool, NY 13088.

“ *Jeff, Nathan and Jayne - I'm sorry that I was not able to attend the service yesterday but wanted all of you to know that you're in my thoughts. Our moms and dads were the best of friends and I have such great memories of when our families got together years ago. I hope that knowing how much others care will help all of you and your families through this difficult time.*

“ Many great memories bring a smile to my face. She seemed to always maintain her composure even when everything around her seemed to be in chaos. She will be missed but not forgotten!
