“ *I'm so sorry for your loss.I grew up in Westvale,oppisite side of the resevoir, and spent uncountable hours at the Gran Prix,walking there in all kinds of weather to race my slot cars.Mr.and Mrs.Mason were like my second parents,watching after me,helping me with my cars,and making sure I got home.I worked at the Kallet in the front at night,so it worked out great.They were wonderful, caring people,and will always be remembered as a major part of my youth.Be proud of them,for they took care of many,many kidz like me.Take care, Danny Macko !*

“ I got an e-mail from my brother & his wife-Dana & Sheila Rounds.You all have my sincerest sympathies; and are in my prayers.I remebe going over to Mr.&Mrs. Masons when I was a little girl. Their house was just 2 houses away. Back then there were cows in the pasture that my brother and I would go and see. Mrs. Mason would come out and watch them with us. Ater an elctric fenc was put up she would remind us to be careful not to get shocked when we would hold out long pieces of grass for the cows to eat. Mrs. Mason was always willing to to talk to two little neighbor kids.When I got older; and babysat for Chris; she would always make sure everything was OK; if she and Mr. Mason got home first.Mrs. Mason now has her Crown in Heaven. God blessed "our end" of Coye Road.
